**AND REENACT CHAPTER 6.12 ENTITLED**

## Synopsis

This ordinance is sponsored by Councilmember Pizzo and would prohibit smoking in all enclosed public places and places of employment.

*Note: Numerous sections of this ordinance were revised after the packet was released and before the ordinance was introduced. Changes to Section 2 (Definitions), Section 4 (Prohibition) and Section 7 (Where Smoking Not Regulated) define and exempt private clubs from these regulations. The change in Section 9 removed language that allowed for the citation to be posted at a conspicuous location on the premises. The change in Section 10 adds the words "reasonable and" before the words "timely fashion" in the second sentence of part (b) of that provision.*

*Note: On March 26, 2003, the Council adopted the ordinance by a vote of 8-1, with three amendments. Amendment 10 was adopted by a vote of 5-4, which delayed the smoking regulations for bars with existing designated smoking areas as well as private clubs until January 1, 2005. Amendment 2 was adopted by a vote of 8-1, which delayed the effective date of most of the provisions from July, 2003, to August 1, 2003. And, Amendment 8 was adopted by a vote of 5-4, which prohibited smoking in all city vehicles (whether or not occupied by more than one person).*
